

# READING OLYMPICS ZONE

## **Project Overview:**

To work with you in developing, nurturing, and encouraging your child's interest in reading.

## **Project Manager:**

The Felida Parent Teacher Association (PTA) sponsors the program and our teachers endorse it!

## **Project Blueprint:**

Each month a Reading Olympics calendar is sent home. Students record how many minutes they read (or are read to) outside of school hours. Calendars with **totals & parent signatures** are turned in the **first school day** of the next month.

## **Project Start Date:**

Students begin recording their daily reading on October 1st, 2011. The calendar is sent home in your Parent Pack prior to the start of each month.

## **Project Completion:**

The program runs through the end of April 2012.

## **Project Bonus:**

There will be a special ceremony in May 2012. All students who participate will receive a certificate! All students who average their monthly goal will receive a medal!! Plus, all students that meet their goal for the month are entered into a class drawing for a Scholastic book!!
