I give permission for my child to stay after school to attend Felida's Chess Club. I understand that students are expected to attend each week. I also understand that I will need to arrange transportation at 4 pm for my child. (It is best to have a parent or two who can ride-share in case you are running late!) I understand that chess is a voluntary activity, and students who are discipline problems may be asked to go home early or stop attending. If my student decides to leave Chess Club, I (or my student) will inform Mr. Wagner so he/she can be removed from the attendance list.

Parent's e-mail address (for schedule changes, tournaments, etc.). Please PRINT legibly!

MR. WAGNER CAN'T DO IT ALONE - VOLUNTEERS NEEDED DURING FELIDA'S CHESS CLUB!

- Experience in chess is preferred, but not necessary (Mr. Wagner can train beginners and people to supervise/enter game results). High school age students can help out too, provided they have chess experience.
- This is not for treats for the end of the year party - they will be recruited for later in the year.
- If you are interested in volunteering, contact Mr. Wagner by **Monday, September 21st** at Ron.Wagner@vansd.org or by filling in this form below and turning it in to your child's teacher.

Can you volunteer??? Let us know!!!
